

HDK 165 - 2014 UP

MADE IN
FRANCE

Product Data Sheet

The dedicated Harley-Davidson HDK 165 2014 UP speaker drivers deliver high-fidelity sound that is simply remarkable thanks to their K2 cone - a Focal exclusive technology made in France and recognized in the audio universe. This Focal Inside solution has been designed and developed for motorcycles operating in a noisy environment. It integrates a K2 inverted dome compression tweeter for high power and perfect sound definition. Custom Harley-Davidson special grilles are also added for perfect integration in the original location.

Key Points

- Simplified installation
- 100% compatible with your motorcycle
- Sound quality superior compared to the original one
- Mounting accessories included

Check your moto compatibility at www.focal-inside.com
